BRICK ACADEMY MASTERCLASS POST-PRODUCTION & SKETCHING

brick | academy

WELCOME

In this document we collected everything you need and need to know about learning at Brick Academy

This PDF covers everything to help you. Please find here the details of the study plan and the exam, your first steps in becoming an archviz professional.

Terms and conditions are detailed in your training contract that you will receive, if you book a seat.

PROGRAM

If you have experience in architectural visualization, but somehow not yet there, where you could be or want to be, than our one-week Post-production and Sketching course is definitely for you.

Below you will find our course schedule.

DAY 01

- Introductory presentation on the art of archviz and composition

- A brief intro into the fundamentals of Adobe Photoshop and the professional workflows of post-production

- Presentation on the importance of reference and drafting

DAY 02

- A whole day practice based workshop - drafting fictive projects, based on the presentations of the previous day

- The art of storytelling - how to create images that really resonates with its viewer

DAY 03

- Upgrading the previous day's drafts into high-end images.

- Professional use of matte elements (landscape, vegetation, lights, atmosphere effects)

DAY 04

- Creating characters in Brick Visual's professional green box studio

- How to place characters - some rules that will help you to position your characters.

DAY 05

- Finalise the image with post-production creation tools with following a reference, using colour and contrast adjustments, placing matte elements, and apply photo filters

- Final touches and review

STEPS

BOOK YOUR SEAT AT
BRICK ACADEMY

START

1. BOOK A SEAT

with a simple registration you can reserve a seat at our Post-prduction and sketching masterclass course.

The registration form will require your portfolio. Please, don't get discouraged, we don't need a super polished portfolio, just some of your previous images, that will help us to personalize your education to make it as effective as possible.

2. SECURE YOUR SEAT

after the registration you will be sent a payment request and a Training Contract. Take your time to read it, you have 3 working days after receiving the documents to decide.

Send back the scanned Training Contract signed via email to academy@brickvisual.com and transfer the tuition fee to our bank account in 7 days after receiving the documents.

3. SEAT SECURED

Your seat now is secured and you are officially a Brick Academist.

Note: Brick Visual has the right to delete a course, if less than 6 students register. Naturally, you will get your tuition fee back and a 20% discount from our next course.

4. BE PRESENT

Participate at least on 4 days from 5. In order to get the Brick Visual certificate, you should be able to invest your work and time and be present.

FAQ

EVERYTHING YOU NEED
TO KNOW

Is there an online version of the course? Can I share the content of the course?

No, and we are kindly asking you not to share your learning materials and example files, given by Brick Visual.

Should I travel to Budapest, Hungary to attend the course?

Yes, part of your final exam will be based on your presence, in return, you will be offered constant help from our staff.

Please consider if you can spend 4 weeks in Hungary, as this is a full-time course. We will give you advice on finding accommodation.

If you are outside of the EU, you will need a VISA and you should be eligible to travel to Hungary. (We can help you to provide information regarding Visa, but all academists must organize their trip and paperwork themselves.)

Does the tuition fee include VAT?

If your tuition fee will be covered by a company, you have to pay VAT, which is 27% in Hungary and it can be reclaimed. **As an individual, the VAT does not apply to you.**

Should I have to have prior art/ architectural or 3D studies?

Yes.

- Intermediate 3Ds Max Skills

- 2 years of experience in architectural visualization

- Advanced Adobe Photoshop skills

- You must be over 18 years old

Where can I find images from previous Brick Academy courses?

See this *link* for some samples (some of them are based on reference photos or renders) from our students. These images were made on a similar, yet longer course as the Intensive Archviz.

Some of the featured students currently are working as senior artists at Brick Visual.

Can I share my work in progress and final images, created at Brick Academy's courses?

Definitely yes! Please proudly share your work and portfolio, you have earned them. If you can, please tag or indicate that the images were the outcome of the Brick Academy course.

What If I can't make it to the course?

You will get a full refund, if you cancel your booking 60 days PRIOR to the start of the course, 75%, if 60-30 days PRIOR the course, 50% if 30-10 days. Please note, we can't refund you if you cancel your booking less than 10 days prior the start.

In case of vis maior incidents, such as accidents or illness, visa issues, please contact us!

If you wish to cancel, please write to: academy@brickvisual.com

Does my course can get cancelled or postponed?

Yes, Brick Visual has the right to cancel or postpone the course 5 working days prior to the start of the course. In this case, we will inform you and you will have a full refund and a 10% discount from the next course.

If you need any help or have questions, please contact us, we are happy to help.

Write an e-mail to Hajni, our coordinator at academy@brickvisual.com

Book your seat and start your archviz education at Brick Academy!

Hope to see you soon,
The Brick Academy Team
